

Sine wave inverter SE 400 12/230V

Material no.: 6000013813 | Matchcode: EL WR 400 | EAN code: 4045294897666

- » Input voltage 10-15.5 VDC
- » fixed connection supply
- » Output voltage 230 VAC 50 Hz
- » pure sine wave
- » Output capacity 400 W / 460 VA 1 min.

Materials & Colour

Material:	Aluminium
Colour:	Blue

Dimensions

External dimensions:	187 x 150 x 68 mm
----------------------	-------------------

Technical details

Weight:	1,22 kg
IP Protection:	20
Voltage in volts:	12 230

Conformity

EMC Compliant:	Yes
ECE mark:	E13 R10-05 14279

Sine wave inverter SE 400 12/230V

Material no.: 6000013813 | Matchcode: EL WR 400 | EAN code: 4045294897666

Description

The AC inverter with an output capacity of 400 W is best suited for the operation of smaller electrical devices like laptops, TVs, smartphones, tablets or chargers for battery-operated tools. The AC inverter creates an output voltage of 230 V / 50 Hz from an input voltage of 10 - 15.5 VDC, in pure sine form.

The input to the AC inverter is protected against:

- reverse voltage
- Under and over voltage

The output side has protective devices against:

- Short-circuit
- Overload
- Excess temperature

With the AC inverter you can use electrical devices in your vehicle without a connection to the mains, meaning you can use your vehicle as a complete mobile workshop.
