L-BOXX 102 G4 First aid

Material no.: 1000011313 | Matchcode: LB 102 G4 EH | EAN code: 4045294737498

Description

This red L-BOXX 102 G4 is equipped with first aid materials for industry, complying with the requirements of DIN 13157. As a result, it includes all prescribed components of a motor vehicle first aid kit according to DIN 13164 as well as a fingertip dressing, finger bandage (120 mm × 20 mm), finger plaster strips, eye compress, immediate cold compress, lint cloth and foil bag. The first aid kits according to DIN 13169 are also suitable for use in industry and differ from DIN 13157 in that they contain twice as many materials (except for scissors, first aid brochure and contents list). This L-BOXX also contains a bottle of eyewash for administering first aid to the eyes. For an exact list of the individual first aid materials included with this product, refer to the product description for the "First Aid Contents DIN 13157" (Ref. No.: 6000001129).

We reserve the right to make changes in the interest of technical progress, as well as correcting printing errors and mistakes. Pictures are similar, decorative material not included. With the publication of this data sheet, previous editions lose their validity. Version: 29.02.2024
